BEE HUNTING

JOHN READY LOCKARD

BEE HUNTING

"Many books on sports of various kinds have been written, but outside of an occasional article in periodicals devoted to bee literature, but little has been written on the subject of bee hunting. Therefore, I have tried, in this volume, Bee Hunting for Pleasure and Profit, to give a work in compact form, the product of what I have learned along this line during the forty years in nature's school room." – John Ready Lockard

- | 00 · Preface read by Larry Wilson
- | 01 · I. Bee Hunting read by John
- | 02 · II. Early Spring Hunting read by John
- | 03 · III. Bees Watering-How to Find Them read by John
